From: Daniel Moulis, Superintendent and Barrington School Board: Dave Gibson, Chair; Moira Taylor, Vice Chair; Tim Hatfield; Carrie Neill; Garth Svenson

I am writing this letter of request on behalf of our Barrington Teachers and Staff. The Barrington School District has made the commitment for in-school instruction and has been successfully operating in this manner since September. We respectfully request that as part of the administration of COVID-19 vaccines for educators and school staff in Tier 2A, those School Districts that continue to provide in-school instruction be prioritized.

Thank you for your continued advocacy and support on behalf of the Barrington residents.

Respectfully,

David Gibson
Barrington School Board Chair
